Ultreya (Fourth Day)

Ideally each staff is comprised of a cross section of the Cursillo Community, thus offering a variety of talents and abilities. Briefly describe your talents and abilities as they relate to being a staff team member.

Is there any additional information you would like to share such as special interests, gifts, or physical limitations/ needs?

I understand that to serve on staff:

I must have attended Cursillo Staff Training.

I must be active in a "permanent" Reunion Group

At least two years must have passed since I last served on a Cursillo staff.

I must attend 3 - 4 team meetings before the Cursillo Weekend. In the event that I am not able to attend these sessions, I will become ineligible to serve on staff for that particular Weekend.
