

Cursillo Staff Scholarship Application

Scholarships are available on a limited basis to cover some of the cost of being on a Cursillo staff. It is expected that the applicant has asked his or her parish to cover some of the cost and that the applicant will personally cover some of the cost. Scholarships may be used toward Staff Training, the Overnight, and the Cursillo weekend expenses. The scholarship can be used only for money that generally would be paid to Alabama Cursillo or for the Overnight that is part of Cursillo preparation. It is not intended to cover expenses such as mileage, child care expenses, etc. Receiving a scholarship does not assure that you will be selected to be on a staff. The Secretariat will be every effort to keep your application confidential. The cost of serving on staff generally runs about \$700 for a staff member in a single room, \$400 for a staff member sharing a room, and \$900 for a couple).

Name

Parish

What was the number of the Cursillo you attended as a pilgrim? _____ Year? _____ In what state? _____

What is the amount of the scholarship for which you are applying? _____

Have you contacted your parish priest to see if your parish can contribute to the cost of being on staff? _____ If yes, what amount can your parish contribute? _____
